

FARMERS' MARKET COVID 19 PROTOCOL FOR VENDORS

Minimal Requirements (Not Optional)

1. Each vendor & staff must wear face masks during market hours.
2. Each booth must have hand sanitizer and table sanitizer.
3. No tablecloths. Tables must be able to be sanitized periodically at market. No food items accessible where customers can touch them. You must set up all food so that the staff person handling food will be the ONLY one doing so.
4. No reuse of bags or handling of customers' cloth bags.
5. Maintain and facilitate social distance spacing of staff and shoppers.
6. Vendors or staff that are not well must stay at home.
7. Vendors that have tested positive, or that have household members that test positive for Covid 19 must notify market management immediately.

Each vendor will have their booth inspected weekly prior to the opening of market. Vendors not able/not willing to comply with these minimal requirements will be required to leave immediately.

Prepared Food/Food trucks

- No on-site eating allowed.
- No product sampling.
- Prepared food must have all goods pre-packaged for take-out.
- There will be no on-site dining tents/tables this year.

FARMERS' MARKET COVID 19 PROTOCOL FOR VENDORS

Recommended Best Practices

Pre-Ordering

Pre-ordering and pre-payment of orders & participating in curbside pick up at market are highly encouraged.

Vendor Operation Guidelines

- Sanitize/wash hands or exchange gloves between customers.
- Offer contactless payments, such as PayPal, Square or Venmo.
- Pre-package produce in ready to-go bags already prepared before arrival of the market.
- Sanitize credit cards, pens, card readers, ipads/iphones etc. after each use.
- Assign one staff person to handle food distribution, and a separate person to handle money.

Rules may be revised by market management per Federal/State/Local updates.
